Summary

A Creative and Highly Organized Student seeking an admission for graduate program in your esteemed university.

Education

- **College/University**: Velammal Engineering College, Anna University
  Degree/Major: Bachelor of Engineering - Computer Science and Engineering
  Degree Completion: Completed- May 2019
  CGPA: 7.93/10

Professional Skills

- **Languages**: C, C++, Java
- **Scripting Languages**: HTML, CSS, JavaScript
- **Databases**: MySQL
- **OS**: Windows

Internship

- **Name of the organization:** HP Software University
  City: Chennai
  Duration: Jan-2016 - Dec-2016
  Role: Software Trainee

Research Projects

- **Title**: Online Crime File Management System.
  Location: Velammal Engineering College
  Date:30th January 2017
  Team Size:2
  Brief Description: web page development
  Individual Role: Front end development

- **Title**: Virtual Bot
  Location: Velammal Engineering College
  Date:10th February 2018
  Team Size:2
  Brief Description: An AI based Messaging Application
  Individual Role: Front end development

- **Title:** Smart Drainage Management System
  Location: Velammal Engineering College
  Date: 3rd April 2019
  Team Size: 2
  Brief Description: An IOT based System using Sensors
  Individual Role: Hardware Connection

Technical Papers

- **Title**: Polynomial based En-route Filtering Scheme Over False Data Injection Using GSTEB Protocol in WSN
  Location: MIT-Anna University, Chennai.
  Date: 3rd March 2017.

- *Title*: An IOT based system for shopping environment
  Location: SRM Easwari engineering college
  Date: 2nd February 2018

- *Title*: Smart Drainage Management System
  Location: SRM Easwari engineering college
  Date: 16th March 2019

Awards and Achievements

- Received the best paper award for Presenting a paper on "**An IOT based system for shopping environment** "in the national level symposium (KRATOS) organized by SRM Easwari Engineering College, Chennai held on 2nd February ,2018.

Certification

- Certified in level -B1(passed with distinction) of **Business English Certification (BEC)** in 2017.

Co-curricular Activities

- Participated in one day **international workshop on game development** held at MIT-Anna University, Chennai, on 3rd March 2017.
- Attended a workshop on '**Android App Development'** held in Velammal Engineering College, Chennai, on 2nd March 2017.
- Participated in the **'Internet of Things'** Workshop organized by SSN college of engineering, on 10th September 2016.
- Attended the workshop on '**Data Communications'** organized by the SANSBOUND-the networking school, on 3rd January 2017.
- Attended a workshop **'Code the Node'** conducted by the Sirius organization from 19th January to 21st *January 2018 at Velammal Engineering College, Chennai.*
- Attended a Seminar in **VFX & Graphic Design** Conducted in Pentamedia Graphics Limited organization on 18th day of July 2017.

Extracurricular Activities

- Positioned as the **event coordinator for Paper Presentation** in OZMENTA 2017 at Velammal Engineering College, 17th September 2016.
- Participated in **various sports and cultural activities** in interschool and interdependent competitions.
